District Superintendent's Report

Dear Parents and Community,

During the 2007-08 school year, the faculty and staff of the Williston-Elko School District have been committed to giving that extra degree of effort in planning improvement strategies and executing initiatives to assist students in their academic achievements. Our theme this year has been "Full Steam Ahead." We will continue to be committed to doing whatever it takes to make our district the best school district in the state for learners, teachers, and staff. Our students are worth the extra effort we have taken to realize the goals we set for the year.

Our five goals were developed by a group of teachers, administrators, support staff, and community members at a planning retreat. Our academic assistance initiatives this year have included the following: reduced class size, utilization of small group instruction to remediate/enrich math in grades 2-8, afterschool programs at K.E. and W-E Middle, Balanced Literacy in K-8, Read-180, Compass Learning Lab at K.E., and Virtual Schools at W-E High School.

The teacher quality goal was addressed in several ways including the funding of Math and Science Curriculum Coaches to work with teachers to improve delivery of instruction at Kelly Edwards. W-E Middle School teachers were supported by an Instructional Coach working in all four subject areas. Wednesday afternoons were set aside for professional development activities for staff at all three schools. Teachers were encouraged to attend professional conferences and to return to share the new ideas they received.

In order to involve parents and community, Parent Nights were hosted at Kelly Edwards and W-E Middle. We also continued to encourage parents to become Mentors for students. Our Arts in the Community, featuring student programs at businesses, was a success. The highlight of the season was the "Alice in Wonderland" play produced by the Kelly Edwards students under the direction of Kia Valentine and Denna Sessions. Thank you for supporting the annual H.S. play, "South Pacific," under the direction of Linda Alsept. Our School Board worked diligently this year preparing for a recommendation to ask the community to support a bond referendum to renovate our school facilities. The School Board hopes to finalize this decision by the summer's end.

Thank you to all our parents and community members for your continued support and encouragement as we commit to providing the best possible education to the children of Williston and Elko in a safe and nurturing environment. Our doors are always open to you to visit or to volunteer. Remember that my door is always open to you as well, so come by to discuss any concerns or suggestions you have. Together we will make a positive difference in the lives of our children.

Your Superintendent,

Alexia C. Clamp
